

ACCESSORY MAGIC

Do you know what size your accessories should be?

Do you always make the correct accessory purchases?

Do you know what accessories to use to dress an outfit up or down?

Do you know how to choose accessories to match the shape of your face?

Accessories offer an easy way to create a modern, versatile wardrobe. They offer a quick and simple way of transforming an everyday outfit to be suitable for any occasion. Wearing accessories that you truly love is the most important step toward developing your own personal style.

This workshop reviews all obvious and non-obvious accessories, and provides guidance as to what accessories best suit your individual style, body and face shape. In this hands-on workshop you will discover what accessory 'personality' you are, learn how to accessorise for the occasion and begin to only purchase what looks the best on you!
