

PERSONAL SHOPPING

Do you spend hours shopping but come home empty-handed?

Do you dislike shopping because you don't know what looks best on you?

Do you buy clothes based on the label, the latest trends, or the advice of a salesperson?

An F3 Consultant will accompany you on your next shopping expedition so you can 'shop smart'. You will have your own personal stylist to direct you to the appropriate stores and areas that are most suitable for your individual style and that carry clothing or shoes in your size.

Every purchase you make will be fully assessed before you buy to ensure that it ideally suits your body type, colour preferences, unique requirements and that everything will mix and match with what you buy so you will not return home with any potential wardrobe mistakes.

Before beginning, the following will be assessed so that an efficient shopping route can be created so time is effectively used: your lifestyle, what type of clothing you are looking for, if you are looking for shoes and/or accessories, dress size, shoe size and budget.

We can help you with:

- Finding a tailor or dressmaker
- Where to buy an evening dress
- Where to get custom made shoes at a reasonable price
- Assistance with purchasing make-up
- Finding lingerie in your size
- Where to buy fabric for custom tailoring clothing
- Where to purchase smaller or larger sizes of clothing and shoes
- Getting great deals on accessories
